Pea Green Party and Outside Catering Menu Page | 1

We offer these menus as an example of the range of food and services that we provide. However, we aim to provide you with a bespoke service that will meet your specific requirements. We would welcome the opportunity to discuss your ideas for the event/party and make sure that it fits with your vision.

We have been catering in Ludlow since 1987, and it has been our mission to provide good quality food and service at a reasonable cost. We buy our fresh food from independent Ludlow traders with our purchasing decisions based on quality not price.

All our food is prepared freshly in our kitchen. So, if you have any allergies or dietary requirements, please let us know in advance, and we will be happy to accommodate them.

If you require a venue for your event, you may hold it in the Pea Green Café free of charge, or the Ludlow Conference Centre has some well-appointed rooms for hire, that may fit the bill.
